

Team Name: _____

Team Jobs

Good design teams break down the responsibilities to individuals. Pick the role you would like to have on the team. Remember, all members of the team can participate in everything, but it is good to have one person keeping track of each assigned role.

The roles are:

- **Materials Specialist-** This person loves fabrics and can make good choices about fabric use. This person is also in charge of testing the outfit for function.

 - The Materials Specialist is: _____
- **Sewing Specialist-** This person feels confident about sewing and can lead the patternmaking and sewing operations.

 - The Sewing Specialist is: _____
- **Electronics Specialist-** This person thinks electronics are awesome and can design and sew circuits to make the prototype light up.

 - The Electronics Specialist is: _____
- **Stylist-** This person makes sure the outfit looks good on stage by developing accessories, props, and other things are needed for the garment. This person also keeps track of time and helps the group stay on track.

 - The Stylist is: _____
- **Reporter-** During the fashion show, your group will present your design. This person creates a script for the fashion show and helps with all other functions.

 - The Reporter is: _____.
