

FLATTEN YOUR  
**Clementine**  
Handout

*Fashion*  
through science

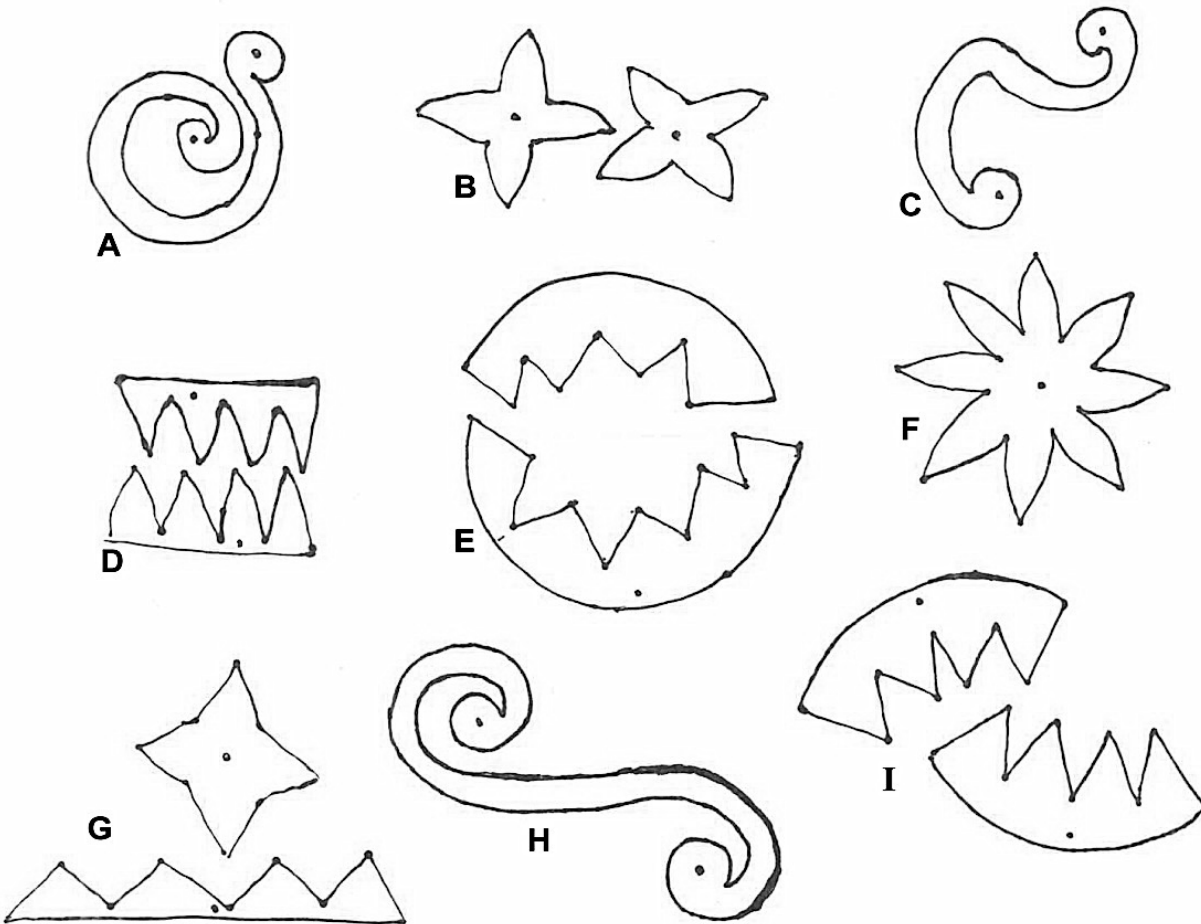

## Draw what you think

Draw what you think the clementine peel will look like when it is cut along the line and flattened:

## Circle the shape

Circle the shape you think your clementine peel will look like when it is cut apart and flattened

## Trace the actual shape

On the back of this paper, trace the actual clementine peel after it is flattened:
